Mail Migration - Action Required

The Department of Programs in association with the department of administrative management has successfully migrated all the emails from namecheap's webmail to google workspace. We urge all the DMUN Staff to perform the following checks:

1. Log in to your email through the regular gmail login on Google.
2. Send an email from @dmun mail to non DMUN mail and check if you are able to send it
3. Similarly send an email from a non DMUN mail to @dmun mail and check if you are able to receive external emails.
4. Ensure you have all the emails and the important data from web mail.

The aforementioned steps are to be performed as soon as possible to ensure seamless mail migration.

Thanks and Regards,

Harshan Manigandan Vidya,
Deputy Executive Director,
Secretariat of the DMUN Foundation.
