Request for Special Accreditation - High-level Meeting to Commemorate the 30th Anniversary of the World Programme of Action for Youth

I hereby request special accreditation for **DMUN Foundation America** to participate in the **High-level Meeting to Commemorate the 30th Anniversary of the World Programme of Action for Youth**.

DMUN Foundation America is a nonprofit organization dedicated to promoting youth engagement, leadership, and innovation in global problem-solving. Our programs focus on equipping young leaders with the necessary skills and knowledge to address pressing international challenges.

Through our programs dedicated for young people across the world, the Foundation fosters international partnerships dedicated to sustainable development.
